

I hope that K-LOVE does not become replace by LPFM. K-LOVE is safe for the whole family to listen to and promotes values that are important in our society. They send a message of encouragement to so many people and offer an alternative to secular music. I am a student at the University of Arizona and I know personally that K-LOVE has had a positive impact on the commity and is in the best interest of the public to keep it on the air. Please don't take away our K-LOVE! Thank-you and God Bless.
